

Join us for something new & exciting this winter!

Skills Meet @ Basel's!

WHAT is a Skills Meet? We are proud to introduce a new era of recreational gymnastics. In many other sports the athlete practices during the week and is given the opportunity to show their friends and family their accomplishments during a game on the weekend. We feel it is important for our gymnasts to have that same sense of accomplishment. That is why we are excited to offer each of our gymnasts the opportunity to compete.

At the Skill Meets each gymnast will perform a short routine of three skills on each of the four Olympic events. (Don't worry! The required skills are already a part of the class curriculum). They will be "judged" on their individual performances; participants will receive a ribbon for each event based on their ability to complete each skill, as well as an all-around medal.

WHO can participate: Basel's Students in the Girls School Age Recreational Gymnastics Program.

WANT to compete? It's easy to do:

1. Attend your regular weekly class. Sign-up for a 2nd class and get \$10 off tuition!
2. Register for the Skills Meet and attend the Practice Day.
3. Order your special Basel's Leo before November 3rd. (optional)

WHERE: Here at Basel's All Star Gymnastics and Cheer Academy

COST: Cost is only \$35 and includes a FREE Practice Day!
Basel's All-Stars do have a special leotard for \$45, however you are not required to purchase.
